Features & Benefits

Best value in the area with quick response on lead times and product delivery.

90% automatic tarp cover, less time spent getting your boat covered and more time on the water.

Custom fit tarp to ensure boat stays clean and free of any outside debris.

Tarp material is mold & mildew resistant providing longer lasting tarp coverage.

Easy installation with unobstructed views to the water.

Covered with great warranty that will make it easy to keep your boat in great condition.

Standard Slip Specifications

- 110 Voltage
- Remote included for easy operation of slip cover
- Slip Widths: 10ft., 12 ft., 14 ft., 16 ft. wide slips. Other widths available upon request.
- Slip Lengths: 32 ft. or less, 40 ft., 48 ft. or longer per request.

Cover Material Specifications

- Weight of material is 8 oz./sq. yard.
- Material has superior color consistency, light fastness characteristics and is bleach cleanable.
- Coated with a highly water repellent finish that gives the cover the ability to protect against heavy rain while keeping its breathability and dimensional stability.
- Material is water, dirt & mildew resistant through addition of anti-microbial component.
- Cover material is designed to prevent the sagging, wetting, and extreme heat problems associated with acrylics and polyester fabrics by using an acrylic coating.
- Cover material comes with a limited warranty of 5 years from the date of original purchase. Excludes Scarlet and True Red fabrics which feature a 3-year limited warranty.
